Funny 4th of July Tweets:

- "Someone told me that they don't have the 4th of July in other countries. Seems kinda stupid to skip from the 3rd to the 5th, but whatever. " @sucittaM
- Dad, why do we celebrate 4th of July? Well son, it celebrates our defeating the aliens that blew up the White House after Will Smith attack. @Reverend_Scott
- If your Mom never forced you to wear a crappy flag shirt from Old Navy on the 4th of July, are you really even American? @CloydRivers
- Don't forget to acknowledge the sad, untouched bowl of Ruffles potato chips left on an outside table at whatever 4th of July BBQ you attend. @JennyJohnsonHi5
- Spread patriotic spirit by telling the barista your name is "USA" and hiding. When they say your name, watch as Starbucks begins chanting. @brendohare
- So, on July 4th, one of the hottest days of the year, we're all going to sit outside of our air-conditioned homes and cook over a fire? @WilliamAder
